**ACB CIRCULAR 3/2022**  
-----

**CHANGE OF ACCREDITATION NUMBER OF ACCREDITED CERTIFICATION BODIES (CB)**

**1. Introduction**

- 1.1 Department of Standard Malaysia (JSM) is in the process of harmonizing its accreditation process across all schemes. This harmonization exercise is to provide better accreditation services to its accredited conformity assessment bodies (CABs).
- 1.2 The change of accreditation number is to streamline the presentation of certification bodies (CBs) that have been accredited.
- 1.2 This circular applies to all CBs accredited by JSM.

**2. Objective**

This circular is aimed to notify all accredited CBs under the ACB Scheme on the changes to their accreditation number.

**3. Requirements**

- 3.1 The accreditation number of the accredited CBs under the ACB Scheme will be revised where the CB will only use one (1) accreditation number regardless of number of programmes accredited. The accreditation number will be based on the date of earliest accreditation awarded.

New accreditation number	<pre> graph TD     A[ACB 001] --&gt; B[Scheme]     A --&gt; C[n<sup>th</sup> CB accredited]         </pre>

- b. Amendments to the certificate and schedule of accreditation will be done by JSM in the 1<sup>st</sup> quarter of 2023.

#### 5. Arrangement of office assessment

- a. All programmes shall be completed as per the assessment programme within the year of scheduled assessment (e.g. if Surveillance is scheduled in June 2023, the office assessment for each programme shall be completed within  $\pm 2$  months of June 2023, between April to August 2023).
